

Come and See...

Inviting you to a deep trust in God, and to sharing His Good News

Join Fr Michael Hurley with people who live the cell experience* on Radio Maria for a six-week programme exploring Parish Cells.

For six Monday evenings, from 7pm, Monday 11 September 2023

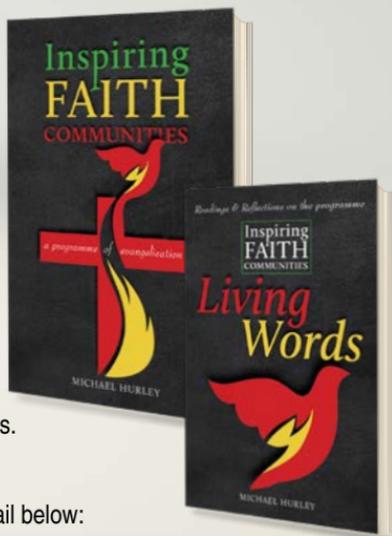

Tune in here: <https://www.radiomaria.ie/live-radio-maria/>

*Parish cells are home-based faith communities of 4-12 people. Here, trust in a living God deepens, friendships form, and people learn to serve through their daily actions and words of faith.

Fr Michael Hurley is an author and international speaker at cell seminars. His most recent publication is *Inspiring Faith Communities*.

**Please
note**

The book's companion booklet, *Living Words* (€4.95) will be very important during these evenings.
